General Information

Thank you for your interest in choosing Tarpon River Brewing to host your event! Whether you're planning a birthday party, a fundraiser, a corporate luncheon, rehearsal dinner or whatever else--we've got your back. We have many different areas within the warehouse that can host your event.

Our most sought-after option is our barrel room. Our barrel room has a 75-guest capacity and is equipped with a large projection screen & wireless microphone; perfect for presentations, or even just to watch a movie. We can connect your device (laptop, phone or tablet) via wifi so you can cast from any position in the room. You will also have full control over the temperature and lighting, and the music can be switched on or off with the touch of a button. The options are endless.

Looking to reserve a different section of the brewery? We have you covered! We offer semi-private sections within the brewery such as the Front Patio, the Brew Hall, and our Backyard.

Our Front Patio is a welcoming section of the brewery that has a 30-guest seated or standing capacity. With access to our 55" HDTV and located right at the entrance of the brewery, this is the perfect indoor-outdoor meet-up spot. The setting is perfect for watching the big game, hosting a social or mixer, or a small birthday party. Pets are welcome in this section as well!

The Brew Hall puts you right in the heart of the brewery! This unique section of the brewery has the potential to host events with up to 75 guests socializing, and it also can host a Mess-Hall style Dinner for up to 25-30 guests. Cheer on your favorite team on the mounted 55" HDTV while being at the center of everything. Accessible from the front and rear of the brewery, this section is perfect for the larger social gatherings, networking events, and happy hour get-together.

Last but certainly not least, our Backyard is the epitome of fun at Tarpon River Brewing. With our cozy backyard furniture and general seating, the Backyard can seat 25 guests and host 100 guest gatherings. Here you can take advantage of our lawn games like cornhole and giant Jenga. This section of the brewery would suit any large gathering of any type, team building events and birthday parties for adults, kids, and dogs alike!

Each section of the brewery has rental minimum involved with renting the space. The room rental fee is your minimum spend. If your food and drink order does not meet the minimum, a supplemental fee will be added to your final bill to meet that minimum.

We auto-grat 20% for private parties, but the auto-grat will not be applied to any supplemental fee. It will only be applied to the cost of food and beverage.

Rental Minimums

Day: 8am-4pm

Monday-Thursday.....	\$500
Friday-Saturday.....	\$750
Sunday.....	\$750

Evening: 4pm-Close

Monday-Thursday.....	\$750
Friday-Saturday.....	\$2000
Sunday.....	\$500

These rates are your minimum spend for your party. Your food and beverage purchases go toward this minimum. For example, if you order \$750 worth of food and drinks on a Thursday evening, then there would be no supplemental room fee.

If you do not meet the minimum spend, a supplemental room fee will be added to your final bill to meet the minimum. You may purchase merchandise, crowlers, gift certificates, or whatever else you would like in order to meet the minimum.

Your allotted time for any event is 3 hours. You may show up 1 hour in advance to set up. Should you require additional set-up time, you will be charged \$150 for each additional hour. Want to host a longer event or add additional time at the end of an event? Per approval from management, we can surely host your extended event for an additional subjective amount per hour. This charge will not be considered if, at the end of your 3-hour event time, you need an extra few minutes to finish tearing down decorations.

These rates do not include 6% sales tax and 20% auto-gratuity.

You will only be auto-gratted the 20% for the food and beverage cost.

Catering Menu Information

The catering platters feed roughly 15-20 people.

If you have a party of 40 people, and you know everyone is going to want the Kale Crunch, then ordering 2-3 servings of the Kale Crunch would ensure that everyone gets some. We can bring it out in stages as well so that when the first order is finished, we can replenish it with a fresh serving of the second order. The same rule applies to every dish on this menu.

**We cannot prepare extra catering dishes
the day of your party.**

The kitchen needs a few days in advance to prepare for a catered event so please ensure that you are confident with your order when you submit it.

**You must submit your food order seven (7)
days prior to your party. No Exceptions.**

The regular menu is always available should you desire to order something extra the day of your party. However please keep in mind that the higher the quantity, the slower the output.

Too much is better than not enough! Don't forget you have a minimum to meet anyway, and you can always take any extras home with you.

Beverage Information

Option #1: Open Bar

Your guests can order any amount of any drink on your tab.

Option #2: Drink Tickets

If you would like to limit the amount of drinks your guests can order on your tab, we can provide tickets. For example, if you give each of your guests 2 tickets, they can order 2 drinks on your tab. After they use their tickets, if they would like more to drink, they are welcome to start their own separate tab--or you may ask for more tickets to distribute to your guests.

We offer two types of drink tickets: \$8 all-inclusive and \$3 non-alcoholic. The all-inclusive ticket enables your guests to order anything off the menu (beer, wine, non-alc, etc...everything we have!) The \$3 non-alcoholic ticket is for sodas, teas, coffee and juice, and is only necessary if you are not planning on paying for your guests' alcoholic beverages.

Please indicate your drink ticket preference & number of tickets on the contract. Please note that Drink Tickets are non-refundable. You can always purchase additional tickets throughout your event.

Wine & Champagne

You are welcome to purchase wine and champagne by the bottle. All of our bottles are \$25.

Our Selection includes:

Carmel Road Pinot Noir, Monterey County, 2018

Lost Find Cabernet Sauvignon, California, 2018

La Crema Pinot Gris, Monterey, 2016

Kendall Jackson Sauvignon Blanc, California, 2016

Kendall Jackson Chardonnay, California 2016

Lost Find Rose, Maule Valley, Chile, 2016

Zonin Prosecco D.O.C., Gambellara, Italy, 2016

Using the Projector

The projector is a wonderful way to display a presentation, show pictures, videos, or even just to have something on in the background to add to the atmosphere.

You can project from your phone or a laptop. All you need to do is install the wireless software, which you can find at:

<http://www.optoma.co.uk/wireless-software>

The app is call HDCCast Pro.

1. Click on the download button under either Windows or Mac if you are using a laptop.
2. Click on the download button under either Android or iOS if you are using a smartphone.

*****If you are using a work computer, you may need to request special permissions from your IT department in order to download the program. Please be prepared with the app installed and ready to go by the time of your party so we don't run into any technical issues.*****

Sound Control

The music we play can be controlled with the touch of a button. We can change the volume or mute it.

The Barrel Room has it's own set of speakers, so you may ask that we mute our music if your presentation has sound.

If you would like to play your own music, you must use the projector, so please be prepared with the app installed on whatever device you will be using.

Microphone

We have a wireless microphone available. This is only really necessary if you have a large, loud party.

Table Set-up Options

Although the barrel room has a 75-guest capacity, the number of guests who can be comfortably SEATED all at once is up to 50. This is due to the space that the tables take up and the size of the chairs.

There are a number of different set-ups that you can choose from to suit the atmosphere of your party:

The Conference "U"

The Classroom/Seminar

The Mess Hall

The Cocktail Party

Of course, you are not limited to these options. Feel free to come in, check out the space, and get an idea for how you'd like to set it up. We're pretty flexible. We can remove tables as well if you'd prefer more of a traditional cocktail party-style vibe. High-standing cocktail tables available upon request (max 4).

Linens & Decorations

We do not provide any decorations, but you are more than welcome to bring your own! You may decorate the room however you would like.

We do not have any linens (napkin/table) in the restaurant, and you may also bring your own, or we can rent them for you. You will pay the rental and delivery fee, which varies depending on your individual requirements.

If you would like to order linens through us, we need at least 2 weeks' notice. We will give you an estimate before we officially place the order.

Decorating Restrictions:

- NO LOOSE GLITTER!
- When hanging objects from the walls, please only use tape, 3M strips, or puddy-tack only. No nails, pin-tacks, or glue.
- No objects may be hung or set upon our barrels. No exceptions. The barrels may not be moved out of the room.
- Candles are allowed, but only in secure candleholders.
- Hanging anything from the rafters must be approved before the event by your event coordinator.

Service

When you have a private party with us here at Tarpon River Brewing, we will have servers taking care of you. They will consistently bus the tables and take drink orders throughout your party.

We kindly ask that your guests **do not visit the bar to place an order**, unless they are starting their own tab prior or after the event. The reason for this is to avoid confusion with tabs.

This especially applies to drink tickets.

Drink tickets can only be redeemed by your servers.

We appreciate your understanding
and cooperation!
